DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This application is being examined pursuant to MPEP 706.04. It appears that an agreement was previously reached between the former examiner and Applicant; however, the reasons for the Examiner finding Applicant's assertions persuasive are not clear in the record. Rather, in the existing Interview Summary there is just a protracted listing of claim limitations followed by a conclusory statement that the art does not teach the same. However, there is no reasoning or support specifically detailing why the art is allegedly deficient. Applicant is requested to provide an interview summary detailing why the claims purportedly are not anticipated or rendered obvious by the current grounds of rejection.

Since Applicant's reply on 23 November 2007 appears to be bona fide, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the requested information. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Comstock whose telephone number is (571) 272-4710 (a detailed message should be left if Examiner is unavailable). If attempts to reach the Examiner by telephone or voicemail are unsuccessful, the examiner's supervisor, Eduardo Robert, can be reached at (571) 272-4719. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
